

VISION

- The conference discovers scholar research of undergraduate pharmacy students worldwide.
- The conference enhances the research capabilities of the students in the pharmaceutical field.

MISSION

- Reveal the importance of scientific research in creative thinking, problem solving and development of new products.
- Create opportunities for undergraduate students to contribute in research community.
- Show the inherent research potential in undergraduate students.
- Provide guidance for early career researchers in the field of pharmacy.

11th SCIENTIFIC CONFERENCE

FOR PHARMACY STUDENTS

SUPERVISION

• Under Supervision Of :

Prof. Dr. Sherif Youssef Khater
President Of Mansoura University

Prof. Dr. Mohamed Attia El-Bayoumi
Vice President Of Mansoura University For
Education and Students Affairs

• Under Leadership Of :

Prof. Dr. Manal Mohamed Ibrahim Eid
Dean Of Faculty Of Pharmacy , Mansoura
University

Prof. Dr. Rasha Mohamed Fathy Barwa
Vice Dean For Education and Students Affairs,
President Of The Conference

Dr. Samar Sameer Tawfik
Rapporteur Of The Conference

Dr. Nada Fawzy Ibrahim
Secretary Of The Conference

ABOUT THE CONFERENCE

- The scientific conference is a scientific event that opens horizons for professional collaboration between early career researchers in pharmaceutical field worldwide.

FIELDS:

- Pharmacology
- Biochemistry
- Medicinal Chemistry
- Organic Chemistry
- Analytical Chemistry
- Pharmaceutics
- Pharmacognosy
- Microbiology and Immunology
- Clinical Pharmacy & Pharmacy Practice

CONFERENCE CONTRIBUTION

Each student submits an abstract of his \her research that may be :

- A review for published article in the field of interest (theoretical research)
- Results of practical work done by the student (practical research)
- Poster for a recently published article in the field of interest (poster)

Posters are presented through an oral contest in the last day of the conference.

Opening Day: 24 July, 2023

Presentations & Evaluation Days:
From 25 to 27 July, 2023

Closing Day: 30 July, 2023
